

WILDEARTH GUARDIANS  
A FORCE FOR NATURE

## Clare Dunne Art Show Friday December 8

*All proceeds benefit WildEarth Guardians*

RSVP

Dear Annaliza,

Join us for **one night only** to see Clare Dunne's latest works of art. Wolves, owls, and other creatures will be let loose into the world.

Clare's show will include 12 wildlife paper cuts. In these works, she is allowing negative space to create image, as the natural limitations of the process force her to distill the contours down to the elemental qualities of the animal or bird, and at the same time honor the integrity of the paper. Color is also simplified to an investigation into complimentary colors.

Where:

PHIL's Space

[1410 2nd St, Santa Fe, NM 87505](#)

When: 5 to 8pm

100% of the proceeds will benefit WildEarth Guardians. Clare specifically chose to benefit *WildEarth Guardians*. She says "It is my attempt to give back a little to the wilderness and the wild animals that have inspired my art since first moving to New Mexico in 1997."

Join us for this fun evening. For more information contact Carol Norton [via email](#) or by calling 505-440-7158.

For the wild,

*Carol Norton*
